****To be eligible for Cancel for Any Reason (C.F.A.R.) you must meet the following conditions:**

You must insure the full trip cost (including land & air arrangements). Payment for the policy must be received within 21 days of initial trip payment (*pursuant to date on check, not date check is cashed). To utilize this benefit, simply cancel your trip and notify the insurance company at least 48 hours prior to departure (during business hours).

Standard travel insurance policies do not insure for war, civil unrest, civil upheaval, travel alerts, and travel warnings (thus effectively excluding terrorism coverage for those travelling to Israel).

If concerned with re-occurrence of events such as July 2014, then **CFAR** would be strongly encouraged.

This table (left) is a summary of benefits for USA residents only. (Separate plans for other nationalities, send in application form to receive a quote). See the policy wording for a complete description. All benefits subject to plan exclusions. Surcharge for trips exceeding 30 days. Prices are per person. 10 day money back guarantee from date of purchase. Cancellation by travel supplier is not eligible for a refund of the premium.
