### Trip Insurance

Keshet urges you to purchase cancellation insurance and supplemental medical coverage (which covers preexisting conditions). We recommend the "Cancel For Any Reason" policies which offer the broadest coverage. The medical coverage included in most travel insurance is a secondary, supplemental policy, which means that in case of a medical claim, you will first need to file with your own US medical insurance before filing for coverage of medical expenses covered by the travel insurance. Please note that most insurance policies require purchase within 14 days of your date of registration for the trip. While you are free to purchase insurance from any company of your choice, Keshet has made arrangements with SMS-Travel Insurance Center of Omaha, Nebraska. SMS has over 25 years of experience as worldwide insurance brokers and can help you choose the policy that best meets your needs. Our contact people are Jeffrey Barr and Dani Eisenstock:

**Please note:** *We cannot accept responsibility for any losses or expenses which you or any member of your party may incur as a result of failure to secure adequate insurance coverage.*

**Note for single travelers:** This program offers a warm and welcoming atmosphere for those travelling with friends or on their own. The atmosphere you'll find is of learning and experiencing in the company of a small group of individual friends. There is a good chance that you will not be the only person without a travel partner. You may wish to have your own room, in which case the single supplement is noted above. However, if you prefer to save this fee we'll match you up with another solo traveler. Just let us know that you'd like a roommate when registering.
