Keshet strongly urges you to purchase trip cancellation/interruption insurance and supplemental medical coverage (which covers pre-existing conditions). We recommend the "Cancel For Any Reason" policies which offer the broadest coverage, including partial coverage for trip interruption or cancellation or withdrawal on your part due to health issues, pandemic and security related reasons. Most insurance policies require purchase within 10 days of your date of first payment for the trip. Please note that we cannot accept responsibility for any losses or expenses which you or any member of your party may incur because of failure to secure adequate insurance coverage.

Also note that the Argentinian government requires that all non-resident visitors present valid travel health insurance upon arrival. While you are free to purchase insurance from any agent of your choice we can recommend the services of: **Mark Reineke- Toll Free: 1-866-979-6753 Ext. 3648 , Direct: 402-343-3648**
