

**MEDICATION GUIDELINES**  
**HESCHEL ISRAEL TRIP**  
**April 25 – May 10, 2022**

For anyone taking medications, vitamins or supplements on a daily basis during the trip, we have selected J Drugs, a pharmacy that supplies prepackaged medications, to supply medications to students for the trip. This provides safe and sterile storage and also significantly reduces the errors that can be made when they are dispensed.

**PARTICIPATION IS MANDATORY FOR ALL STUDENTS WHO TAKE MEDICATIONS, VITAMINS, OR SUPPLEMENTS; ALL ORDERS MUST BE PLACED DIRECTLY THROUGH J DRUGS NO LATER THAN [MARCH 31, 2022](#).**

- In addition to the cost of medication and/or your co-pay, J Drugs charges \$20 for packaging.
- A late fee of \$25 per student will be charged for all medications ordered after this deadline.
- J Drugs accepts Medicaid and all major insurances.
- To order non-prescription items (vitamins, and supplements) through J Drugs, a doctor or parental note is required.
- If your child takes a medication that requires a new prescription every time filled, please have your doctor post date prescriptions/ leave date field blank when you submit them. For electronic prescriptions please have your doctor change the effective date on the Rx to April 20, 2022.
- If you are tapering or changing medication, please fill out the form prior to the deadline and put a note saying that you are not sure of dosage/meds to avoid incurring a late fee.

Please attach all prescriptions not submitted by your doctor  
J drugs is a third party provider and is not associated with Heschel**

**FAQS**

**How is my insurance billed? How am I billed for co-pays?**

Our pharmacy bills your insurance company directly as prescriptions are filled. Co-pays, deductibles, the cost of over-the-counter medications, all uncovered medications will be charged to your credit card.

**What will my prescriptions cost me through the J Drugs program?**

No different than your local pharmacy. Insurance co-payments and/or deductibles are determined by your insurance carrier and prescription coverage.

**How will I be charged?**

Since we are a full functioning pharmacy you will be billed directly by J Drugs

**What is the relationship between J Drugs and Heschel?**

J Drugs is an independent pharmacy that has been chosen by Heschel to provide medication services to its campers. We are a third party provider and are not associated with Heschel.

**How are the medications packaged?**

Generally, camps utilize individual dose packaging. Each dose of medication is sealed in a medication strip package with a detailed label that includes your child's name, date of birth, medications enclosed, date and time to be administered, and any special instructions. The camp staff simply tears open the perforated packet and hands your child his/her medications. Please note that only medications in pill form can be included in the dose strip. Other medications, such as inhalers, creams, and liquids, are dispensed and labeled separately and shipped to camp with your child's other medications.

**What if my child is prescribed a controlled medication such as Adderall or Concerta?**

We must receive an electronic prescription (or original prescription if your doctor does not electronically prescribe) for all controlled medications prior to shipping the medication. Prescriptions for controlled drugs will only be accepted for a thirty day supply. If your child is attending camp for a longer period, the doctor MUST supply a separate prescription for each 30 day period. (Please refer to page 1 for correct dates)

**Can you supply vitamins and supplements?**

Yes. We offer a large assortment of vitamins and nutritional supplements. Please indicate your preferences when registering your child and we will notify you of any availability issues. If you would prefer to have these items packaged together with your child's other medications please provide us with either a prescription from the doctor or a "Physician's Authorization" (note from doctor on letterhead)

**Will J Drugs dispense name brands or generics?**

Unless the physician specifies "Do Not Substitute" or "Brand Only" our pharmacy will dispense the generic. Many insurance plans will only pay for a generic. IF YOU DO NOT WANT A GENERIC, we ask that you notify your physician in advance and please let us know as well. For OTC medications, our pharmacy will provide generics unless you specify otherwise. In the latter case our pharmacy will attempt to provide the brand of medication you request, but may have to substitute a generic if the name brand is not available.

**What happens to extra medications?**

Any unused medications will be sent home with your child on the last day. You may use the extra medication at home or on vacation.

**We have a ninety-day prescription plan/ mandatory mail order. Can I still use J Drugs?**

We can accommodate this situation with the proper planning. Please contact us immediately so that we can plan accordingly.

**What time are medications dispensed?**

Medications are generally dispensed at meal times and at bedtime. Please make certain that your doctor indicates the time(s) each medication should be taken on the prescription so that the camp can accommodate special requests.

**My child takes a different dose of the same medication every other day. Can it be packaged that way?**

Yes. It is critical that your doctor provides a prescription written exactly how the medications should be given. Our pharmacists can only label a prescription according to the exact instructions of the Doctor and the camp will dispense the medication accordingly.

**What happens if I order late?**

If your child's medications must be sent in a later shipment J Drugs will charge an expedite fee as well as shipping costs. Please note that in order to have your child's medication ready it is important that you submit your order prior to the deadline indicated above.

**What if my child's doctor writes a prescription for a new medication after your deadline for registering has passed?**

We will work with you to handle late medication changes. You may be required to send additional medications to camp as a back-up and additional shipping charges may be applied.

**Do you participate with my insurance?**

We are a fully functioning pharmacy and we accept all forms of insurance including NYS Medicaid.
